

West Kent Golf Club Membership Application

Although we prefer prospective members to be proposed and seconded by an existing West Kent member, we are happy to accept applications from individuals and couples from other clubs and golf societies.

Ideally, men and ladies should have a current handicap but, in any event, you will need a good understanding of the rules and etiquette of golf.

Any prospective member without a proposer or seconder will be asked to join existing members for one or two rounds of golf before membership can be considered.

Once your application has been accepted, you will be invited to attend a short, informal interview. If successful, membership will be offered as quickly as possible and the relevant entry fee (if applicable) and subscription will become payable.

If you wish to make an immediate application, please print out, complete the form and return to:
